IMPORTANT: fill all fields above. Do not measure yourself, have someone do it for you. Stand straight and take the arm bent at 45 degrees. Use a cloth measuring tape. Wear tight underwear: top and shorts, use seams as reference. Do not adjust measurements and don't add any cm extra. 10 measure must be the same as the total of 11 and 12 measures. Submitting this form you certify all information are correct. P1 can't be considered responsible for uncorrect measurements submitted by the final customer
